

Door-To-Door Shopping Service

Wealdlink operates weekly door-to-door shopping services to Crowborough, and monthly services to Tunbridge Wells and Eastbourne. The services are available to anyone who has difficulty accessing a regular bus service.

We help North Wealden residents who need the support, and who subsequently enjoy greater independence and a more active social life.

Increased independence gives our passengers greater confidence, which improves their quality of life and motivates them to stay in touch with an extended social network.

We know that our passengers make new friends through our services, with whom they enjoy their journey in comfort and safety.
